Docket No. 50-341

The Detroit Edison Company  
ATTN: Wayne H. Jens  
Vice President  
Nuclear Operations  
6400 North Dixie Highway  
Newport, MI 48166

Gentlemen:

SUBJECT: EXAMINATION REPORT

On July 10, 1984, the NRC administered examinations to employees of your company who had applied for licenses to operate your Fermi Nuclear Plant. At the conclusion of the examination, the examination questions and preliminary findings were discussed with those members of your staff identified in the enclosed report.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure(s) will be placed in the NRC Public Document Room unless you notify this office, by telephone, within ten days of the date of this letter and submit written application to withhold information contained therein within thirty days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1). If we do not hear from you in this regard within the specified periods noted above, a copy of this letter and the enclosed examination report will be placed in the Public Document Room.
