been sent to the Chief Administrative Law Judge with your complaint. If you decide to request a hearing, it will be necessary for you to send copies of the telegram to Houston Lighting & Power Company and to me at 2320 LaBranch, Room 2100, Houston, Texas 77004 (713) 750-1682. After I receive the copy of your request, appropriate preparations for the hearing can be made. If you have any questions, do not hesitate to call me.

It should be made clear to all parties that the U.S. Department of Labor does not represent any of the parties in a hearing. The hearing is an adversarial proceeding in which the parties will be allowed an opportunity to present their evidence for the record. The Administrative Law Judge who conducts the hearing will issue a recommended decision to the Secretary based on the evidence, testimony, and arguments presented by the parties at the hearing. The Final Order of the Secretary will then be issued after consideration of the Administrative Law Judge's recommended decision and the record developed at the hearing and will either provide for appropriate relief or dismiss the complaint.

Sincerely,
