MIDLAND ENERGY CENTER PROJECT
QUALITY ASSURANCE PROGRAM
FILE 0906.4 SERIAL 21045

In response to your specific request of February 15, 1983, the attached letter and Executive Summary regarding the Midland Project Quality Assurance Program is provided for your use. This information was submitted by Consumers Power Company to Region III of the NRC on April 31, 1981, as a partial fulfillment of a commitment to provide additional written information regarding the quality assurance program. It is my understanding, based on our telephone conversation, that you already have the subsequent appendices referenced in the Executive Summary.

If you have any further questions in regards to the Executive Summary or desire further information concerning the Midland Project Quality Assurance Program, please do not hesitate to contact me at 517-788-1128.
