Mr. Harold Denton, Director
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Subject: Duane Arnold Energy Center
Docket No: 50-331
Op. License No: DPR-49
Revision to DAEC Security Plan

Dear Mr. Denton:

Transmitted herewith is an revision to our application dated September 26, 1984 (S-84-13) for amendment to the Duane Arnold Energy Center Security Plan.

This revision consists of material contained on page B-40 of the original application. The revised page B-40 supersedes the page submitted with the September 26, 1984 application to reflect the "pen and ink" changes made to the Duane Arnold Energy Center Security Plan in July 1984, and does not reflect a change to the scope of the revision requested in our application of September 26, 1984.

The attachment to this letter contains information of the type described in 10 CFR 73.21 and, as such, should be withheld from public disclosure.

One signed and six additional copies of this application are transmitted herewith. This application, consisting of the foregoing letter and enclosures, is true and accurate to the best of my knowledge and belief.
