ATTN MR NUNZIO PALLADINO RE: GRAND GULF NUCLEAR PLANT THE OFFICIAL POSITION OF LOUISIANA IS THAT THE DECISION TO LICENSE SHOULD BE MADE BY NRC. REPRESENTATION BY LOUISIANA'S ATTORNEY GENERAL'S OFFICE TO THE CONTRARY SHOULD BE DISREGARDED. WE DO NOT KNOW WHETHER THE PLANT SHOULD BE LICENSED OR NOT. NRC IS CHARGED WITH RESPONSIBILITY TO LICENSE AND HAVE THE EXPERTISE TO MAKE SUCH DECISIONS. PLEASE DO SO ON BASIS OF SAFETY, RULES AND REGULATIONS, AND SCIENTIFIC FINDINGS. SINCERELY
