Docket Nos. 50-440 and 50-441/OL

Gentlemen:

Sunflower Alliance's Response in Opposition to Particularization of Issue No. 1, dated July 16, 1984 (and served July 18, 1984) included as an Attachment A thereto a July 3, 1984 memorandum from the Ohio Disaster Services Agency. This memorandum was cited by Sunflower as support for its argument that the State of Ohio emergency response plans "are not complete," "are not finally approved" and are "undergoing public comment until September 1."

This morning, I received a copy of the State of Ohio plan to which the July 3, 1984, memorandum was attached. In reviewing the plan, I noted that a letter from the Governor of Ohio was also attached. Since the Governor's letter is relevant to Sunflower's argument that the State plan is only in draft form and Sunflower neglected to include the Governor's letter, I am enclosing it for the Board's information.

Very truly yours,

Jay E. Silberg
