Docket No. 50-266
Docket No. 50-301

Wisconsin Electric Power Company
ATTN: Mr. C. W. Fay
Vice President
Nuclear Power Department
231 West Michigan, Room 308
Milwaukee, WI 53201

Gentlemen:

Thank you for your letter dated July 5, 1984, which included a copy of Wisconsin Electric Power Company's scope and objectives for the Point Beach Nuclear Plant emergency preparedness exercise scheduled for September 11, 1984. Based on a telephone conversation between Mr. J. Knorr of your staff and Mr. W. Snell of my staff on July 20, 1984, we understand that assembly/accountability will be demonstrated during the exercise. With the inclusion of assembly/accountability, we conclude that the proposed objectives are acceptable. My staff will provide any future comments regarding the exercise scenario to Mr. Knorr via telephone.

We appreciate your cooperation on the timely submission of your exercise scope and objectives. If you have any questions, please contact Mr. W. Snell of my staff at (312) 790-5513.

Sincerely,

C. J. Paperello
