NOTICE OF PREHEARING CONFERENCES

Notice is hereby given that prehearing conferences will be held in each of these proceedings, on Wednesday, November 15, 1995, beginning at 9:30 a.m., at the Richard B. Russell Federal Building, Room 224, 75 Spring St., Atlanta, Georgia.

The conference in the license-renewal proceeding will amount to a status conference, authorized by 10 C.F.R. § 2.752, following issuance by the Commission on October 12, 1995 of CLI-95-12, which upheld our earlier decision in

DOCK

LBP-95-6 that Georgians Against Nuclear Energy (GANE) has standing to participate in this proceeding and that its contention 9 is admissible. (Contention 5 has been remanded to us and we are preparing a decision on the mootness of that contention.) Matters to be discussed will include discovery matters, including several motions as to which we deferred decision pending the Commission's resolution of the appeals before it, identification of potential witnesses, and future schedules.

The matters to be discussed in the fuel proceeding (which is an enforcement proceeding governed by 10 C.F.R. § 2.200 et seq.) are similar to those normally discussed at an initial prehearing conference authorized by 10 C.F.R. § 2.751a for licensing proceedings, including GANE's standing, the technical bases for its single proposed contention and other matters pertinent to the proceeding.

Members of the public are invited to attend the conferences but may not otherwise participate in the proceeding.
