In the Matter of
Georgia Power Company, et al.
(Vogtle Electric Generating Station, Units 1 and 2)
Docket Nos: 50-424-OLA-3 and 50-425-OLA-3

Dear Administrative Judges:

In a filing dated October 5, 1995 the Intervenor Moved to strike from the evidentiary record the Affidavit of Harvey Handfinger, dated September 28, 1995 (signed September 27, 1995), which was provisionally received in evidence as GPC Exhibit II-208, subject to a written motion by the Intervenor to strike it. Tr. 15,443. On October 6, 1995, Intervenor filed "Intervenor's Motion to Admit Certain Admissions of Georgia Power." GPC responded to both motions.

This letter is to inform you that the Staff will not be filing a response to either motion as the pleadings of the parties contain sufficient information for the Board to resolve the matters raised.

Sincerely,

Charles A. Barth
