Gentlemen:

Subject: ANO-1 Operator Licensing Requalification Examination

On May 3 and 4, 1984, NRC administered requalification examinations to employees of your company. Written examinations were given to five licensed SRO, and one RO. Oral examinations were given to four SROs and two ROs. At the conclusions of the examinations, the examinations and preliminary findings were discussed with members of your staff that are identified in the enclosed report.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room unless you notify this office, by telephone, within 10 days of the date of this letter, and submit written application to withhold information contained therein within 30 days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1).

Should you have any questions concerning this examination, we will be pleased to discuss them with you.

Sincerely,

"Original Signed By"
D. R. HUNTER"

D. Hunter, Chief
Reactor Project Branch 2
