METROPOLITAN EDISON COMPANY, ET AL.
(Three Mile Island Nuclear Station, Unit No. 1)
Docket No. 50-289 *SP*
(Restart Remand on Management)

Dear Ms. Bernabei:

In my October 25, 1984 letter to you, I enclosed a list of documents identified by OIA as possibly being responsive to TMIA's First Request for Production to NRC Staff dated August 3, 1984 and represented that these documents were available in the NRC Public Document Room. I have had a copy of these documents made for you and am enclosing them under cover of this letter.

On October 22, 1984, you requested, in a telephone call to Jack Goldberg, certain specific documents which you believe were in Mr. Gamble's files at one time. OIA has searched their files for these documents. Copies of those documents identified by OIA as being responsive to this request also are enclosed herewith. The enclosed documents constitute OIA's complete response to TMIA's request for production dated August 3, 1984 and your October 22, 1984 telephone request to Jack Goldberg.

Sincerely,

Lois R. Finkelstein
Counsel for NRC Staff
