Gentlemen:

SUBJECT: WOLF CREEK EXAMINATION REPORT

In May 1984, NRC conducted initial operator examinations at your Wolf Creek Generating Station. These examinations involved two site visits. The results of these examinations have been discussed with those members of your staff identified in the enclosed report.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosed report will be placed in the NRC Public Document Room, unless you notify this office by telephone within 10 days of the date of this letter and submit written application to withhold information contained herein within 30 days of the date of this letter. Such application must be consistent with the requirements of 10 CFR 2.790(b)(1).

Should you have any questions concerning this letter, please contact us.

Sincerely,

Original Signed By
E. H. Johnson

Eric H. Johnson, Acting Chief
Reactor Project Branch 2
