Gentlemen:

Entergy Operation's letter RBF1-95-0240, dated October 11, 1995, communicated our intent to implement the recommendations of Generic Letter 95-07 at River Bend on the schedule proposed in the letter.

The letter incorrectly stated that the 180-day response would be provided on April 16, 1996. Instead, Entergy Operations will provide River Bend's 180-day response on February 13, 1996, as requested by the generic letter. We regret this error.

If you have any questions or require additional information, please contact Mr. T. W. Gates at (504) 381-4866.

Sincerely,

JJF/JHM/kvm
