Dear Mr. Griffin:

Enclosed for your review is a copy of the facility attachment for ANO-2 (Enclosure 1), which has been developed in consultation with your staff. Also, enclosed for your review (Enclosure 2) is a copy of the summary statement of the IAEA inspection activities at ANO-2 from October 1983 to March 1984.

These documents are currently being withheld from public disclosure. However, the U.S. Government would prefer to make all IAEA activities as open as possible. Within thirty (30) days of receipt of this letter, please review these documents and indicate to us if you wish to request the withholding of any of the information from public disclosure under 10 CFR 2.790.

In addition, we would like to have your comments concerning the lighting failure and change in the camera viewing angle noted in footnote No. 2 of the summary statement on Page 2 of the March 19, 1984 letter (See Enclosure 2).
