INTERVENORS' REQUEST FOR SUPPLEMENTS
TO EDISON'S AMENDED RESPONSES
TO
INTERROGATORIES 11 AND 12

The definitions set forth in Intervenor's First Request to Edison for the Production of Documents are incorporated herein by reference.

Interrogatory 11 Supplement: Separately, with respect to each "inspector reinspected" listed in Commonwealth Edison Company's First Amended Response to Interrogatory 11(c) of Intervenor's First Set of Interrogatories, please state whether inspection attributes can be further subdivided on the basis of inspection elements. If so, please list all inspection elements and for each inspection element, please provide:

- (a) a short description of the inspection element;
- (b) total number inspections performed;
- (c) total number reinspections performed;
- (d) the number of inspectors who inspected the element;

DS03

(e) the number of inspectors of the element who were reinspected. Separately for each inspector and element reinspected, provide:

(i) the number of reinspections that conform with initial inspections and

(ii) the total number of reinspections performed.

(The tabulation for (e) should provide the same type of information provided in Table B-5 of the Reinspection Program disaggregated by "inspection element" rather than "attribute".)

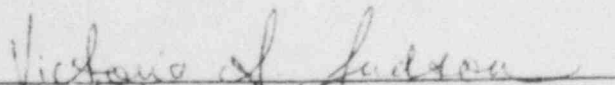

Interrogatory 12 Supplement: Separately with respect to each "inspector reinspected" listed in Commonwealth Edison Company's First Amended Response to Interrogatory 12(c) of Intervenors' First Set of Interrogatories, state for each "inspection element":

(a) the number of reinspections performed that conform with initial inspections, and

(b) the total number of reinspections performed.

(The tabulation should provide the same type of information provided in Table B-3 of the Reinspection Program but should be disaggregated by "inspection element" rather than "attribute".)
