Mr. James Foster, Senior Emergency Preparedness Analyst  
Region III  
U.S. Nuclear Regulatory Commission  
801 Warrenville Road  
Lisle, Illinois 60532-4351

Dear Mr. Foster:

Operating License DPR-43  
Kewaunee Nuclear Power Plant  
1995 Emergency Exercise Scenario Package

Reference: 1.) Letter from C.J. Paperiello (NRC) to D.C. Hintz (WPSC) dated December 14, 1984,  
requesting advance submittal of exercise objectives.

In accordance with Reference 1, enclosed is the scenario package for the October 11, 1995 emergency exercise at the Kewaunee Nuclear Power Plant. Included with this letter is the Exercise Scenario Manual minus appendices. In order to maintain scenario confidentiality, the attachment to this letter is only being sent to the addressee and Mr. Antholt of the State of Wisconsin DEG.

This exercise will be a full scale exercise with participation by the State of Wisconsin, Manitowoc County, and Kewaunee County. WPSC's Emergency Preparedness staff is prepared to meet with you to discuss the contents of this submittal at your request. Please contact Mr. William M. Bartelme (414) 388-2560, Nuclear Emergency Preparedness Coordinator to arrange any needed discussion.

Sincerely,

Mark L. Marchi  
Manager-Nuclear Business Group
