Gentlemen:

By letter dated July 6, 1984, Commonwealth Edison Company (CECo) was notified that a Construction Appraisal Team (CAT) inspection would start at the Braidwood Station on July 30, 1984. As I have since discussed with members of your staff, a decision has been made to postpone the CAT inspection at Braidwood.

You will be advised when the CAT inspection is rescheduled for Braidwood. If not already accomplished, the information requested by our July 6, 1984, letter should be forwarded to Mr. Keshishian.

Should you have any questions, contact W. L. Forney of this office.

Sincerely,
