Control No. 15602

Attention: Dr. Donna-Beth Howe, Nuclear Material Section B
Division of Engineering and Technical Programs

Dear Dr. Howe:

We have been informed by Mrs. I Martin, NRC, Washington that you people are handling the above license application.

We wish to amend the above license to reflect the changed corporate responsibility for this product.

The General Electric Company will transfer ownership for these products effective May 1, 1984 to:

Black & Decker (U.S.) Inc.
Housewares Group
1285 Boston Ave.
Bridgeport, CT 06602

Therefore, we wish to amend the above license to reflect this transfer. Specifically, Black & Decker (U.S.) Inc. has purchased the General Electric Company Housewares Operation business.

The remaining aspects remain the same as outlined in our letters of August 16, 1983, October 31, 1983 and November 3, 1983.

Enclosed is a check for \$110.00 to cover the amendment cost to the above license.

Should there be any questions, don't hesitate to call us. Thank you for your attention to this matter.

Very truly yours,

J.P. Ruchinskas
