Gentlemen:

Following the "T-shirt incident" in March of this year, J. E. Cummins of our office obtained copies of the documents that were collected by your staff from the desks and/or files of involved persons within your organization. This letter documents the fact that our copies of the subject documents were returned to your Mr. Tony Vega on July 20, 1984.

For your information, Region IV reproduced additional copies of the subject documents and made one copy available to CASE and presently retains one copy.

Sincerely,

Original
Richard L. Bangart
