Dear Mr. Miller:

Re: St. Lucie Units 1 and 2  
Docket Nos. 50-335, 50-389  
Procedure Generation Package for  
Emergency Operating Procedures

Your letter dated July 17, 1984 transmitted questions concerning the Procedure Generation Package we submitted on October 26, 1983. The questions are all generic in nature, and as such we intend to generate the responses by way of the Combustion Engineering Owners Group's Procedure Subcommittee. This Subcommittee is scheduled to meet with your reviewers on August 29, 1984 in an effort to clarify the questions, and attempt to expedite resolution of the issue.

Therefore, we will provide a schedule for responding to these questions by September 12, 1984.

Very truly yours,
