MOTION FOR LEAVE TO
FILE RESPONSE

Commonwealth Edison Company ("Applicant") re-
spectfully requests the Atomic Safety and Licensing Board
that it be granted leave to file the attached "Commonwealth
Edison Company's Response to Neiner Farms' Status Report
Regarding Contention 4." There is good cause for the filing
of this pleading since, in the course of responding the
Licensing Board's request to the parties for a status report,
Intervenor Bob Neiner Farms, Inc. proffered information pur-
portedly relevant to Contention 4. The admissability of
that contention is pending before this Licensing Board. In
this circumstance, fairness requires that Applicant be
granted leave to respond to the proffered information and
Intervenors' agruments based on that information. Applicant's
motion should be granted.

Respectfully submitted,
