Dear Dr. Glenn,

Having inquired into the status of our Byproduct Material License renewal request (License No. 20-12743-01), I learned today that my letter of 23 March 1984 was never received by your office. Enclosed is a zerox copy of that letter, addressed to Mr. Thomas Thompson. This letter responds to the questions that Mr. Thompson raised concerning our application during his telephone conversation with me on 20 March 1984.

Please don't hesitate to contact me if further information is required.

sincerely,

William E. Robinson
