Subject: Midland - ASLB Actions  
"Motion for Partial Consolidation"

CPCo requested ASLB to  
consolidate the issues relating to soil conditions  
structures & systems founded in & on plant full  
IN THE HEARING of the Dec. 6, 1979 ORDER Modifying  
Construction Permit and ANY hearing that would be  
ordered in connection w/ CPCo Amendments 72, 74, 76 & 77

pg. 2) Dec. 6, 1979 Order issued by Staff prohibits CPCo from continuing  
certain remedial actions until CP is amended that authorizes  
the remedial action.

pg. 4) CPCo is awaiting Staff approval of the amendments (72, 74, 76 & 77)

Specific ISSUES requested by CPCo to be consolidated:

1. Whether proposed remedial actions taken by CPCo UNDER &  
AROUND the DGB provide reasonable assurance that the  
DGB will be constructed & operated without undue risk to public
2. Whether remedial actions proposed by CPCo, under & around  
safety related structures & systems other than the DGB  
will SATISFY reasonable assurance etc.
