U. S. Nuclear Regulatory Commission
Materials Licensing Branch
Division of Fuel Cycle and Material Safety
Washington, District of Columbia 20555

Dear Sir:

St. Francis Medical Center would like its Teletherapy
License, #29-00232-09, ammended to include Fiorello Tan,
M.D., as an authorized user. Nuclear Regulatory Commission
form 313M supplements A and B are enclosed.

This information is submitted to ensure St. Francis
Medical Center's compliance with U. S. Nuclear Regulatory
regulations.

Sincerely,

Sister Agnes Marie of
Sister Agnes Marie, O. S. F.
President and Chief Executive Officer
