In the Matter of  
COMMONWEALTH EDISON COMPANY  
(Byron Station, Units 1 and 2)  
Docket Nos. 50-454 and 50-455 OL

Dear Administrative Judges:

Enclosed is the "Testimony of NRC Staff With Respect to Equipment Supplied to Byron By Systems Control Corporation". It is scheduled to be presented when the hearings resume on August 20, 1984.

The testimony discusses certain open items in the Staff's review of the steps that CECO has taken to establish the adequacy of Systems Control Corporation equipment. The Staff plans to provide further information with respect to these open items through supplemental oral direct testimony.

This testimony supersedes the "Testimony of NRC Staff on Newly Acquired Information About the Extent of Corrective Actions Taken With Respect to Systems Control Corporation Equipment", filed on July 16, 1984.

Sincerely,

Michael N. Wilcove  
Counsel for NRC Staff
