Re: Alabama Power Company
(Joseph M. Farley Nuclear Plant,
Units 1 and 2)
Operating License Nos. NPF-2
and NPF-8

Gentlemen:

This refers to your letter of August 6, 1984 addressed to Mr. William J. Dircks, Executive Director for Operations, U.S. Nuclear Regulatory Commission, requesting "...any notes or memoranda or transcripts which have been made, or are being made, of any of the meetings between yourself and representatives of the Alabama Power Company..." concerning the captioned matter.

I have contacted all of the members of the NRC staff who attended the meeting with representatives of the Alabama Power Company on June 26, 1984 and have determined that no notes were taken at the meeting and that no memoranda or transcripts have been prepared.

Sincerely,

Guy H. Cunningham, III
Executive Legal Director
