Joint LILCO/LIPA Contingency Plan
Required By NRC Order Approving
Transfer Of License Dated February 29, 1992
Shoreham Nuclear Power Station
Docket No. 50-322

Dear Dr. Murley:

Attached to this letter is the joint LILCO/LIPA Contingency Plan required by the NRC Order Approving Transfer of License dated February 29, 1992. The Contingency Plan describes the measures to be taken to adequately ensure that such matters as appropriate employee and contractor arrangements, maintenance of staff and management qualifications, indemnification coverage, and technical specifications applicability are addressed in the event that the Shoreham license is returned to LILCO.

The Contingency Plan has been approved by both LILCO and LIPA and will remain in effect until license termination.

Should you have any questions concerning or require any clarification of information contained in the Contingency Plan, please do not hesitate to call me.

Very truly yours,

L. M. Hill
