Gentlemen:

In our letter dated November 7, 1995 (Reference: RBF1-95-0261) RBS submitted Revision 13 of the Emergency Plan (USAR, Chapter 13.3). Appendix B of the Plan reflected deletion of a letter of agreement with Radiation Management Corporation (RMC). This document was deleted because it is a binding contract for specific services and, as such, is not an "agreement." In the administrative process, the second page of this letter was inadvertently left in the new revision. Please replace Page B-17a with the attached corrected copy marked "page intentionally left blank."

We regret the inconvenience this may cause you. If you have any questions or require further information, please contact David Lorring at (504) 381-4157.

Sincerely,

JJF/JS/jr
