MEMORANDUM FOR: Don Lanham, Document Control Branch
Division of Information Support Services, ADM

FROM: Alan Roecklein, Radiation Protection and Health
Effects Branch, DRA, RES

SUBJECT: REGULATORY HISTORY INDEX FOR PROPOSED RULEMAKING
"STANDARDS FOR PROTECTION AGAINST RADIATION; FINAL
RULE" OF 10 CFR PART 20 ET AL.

Enclosed is an index of documents considered to be of central relevance to the subject rulemaking. Please note that the documents, which are being forwarded under separate cover, should be added to the regulatory history file. The designator assigned by the Regulatory Publications Branch is AA38-2 and is noted in the upper right hand corner of the cover page for each document. The documents in boxes 1, 2, and 3 are to be placed in the PDR, and the documents in box 4 are to be placed in Central Files.
