MEMORANDUM FOR: E. T. Pawlik, Director, Office of Investigations, RIII
FROM: R. F. Warnick, Acting Director, Office of Special Cases
SUBJECT: INVESTIGATION ASSISTANCE

During a recent inspection at the Midland site a concern was identified regarding the use of unofficial documents for recording nonconformances and deficiencies. This issue was left unresolved (329/82-22-27) in the inspection report until an investigation could be conducted.

We are requesting that OI provide an investigator to assist OSC in the closeout of this unresolved item.

Should you have any questions please contact W. Shafer.
