Dear Mr. Reed:

This is to acknowledge receipt of Revision 4a of the Byron Station Annex to the Generating Station Emergency Plan (GSEP) which was transmitted by letter dated March 11, 1992 from Mr. T. Schuster of your staff.

We have reviewed the changes to the Byron Annex and determined that they are consistent with the requirements of 10 CFR 50.54(q) and do not decrease the effectiveness of the emergency plan. Therefore, these changes are acceptable.

Should you have any questions regarding this letter, please contact Ms. Heather Simons of my staff at (708) 790-5799.
