Gentlemen:

SUBJECT: UPDATE OF EVACUATION TIMES FOR OFFSITE POPULATIONS IN THE EVENT OF
EMERGENCY

As you may be aware, the U.S. Government Department of Commerce Bureau of the
Census has released 1990 census data which should be available in your area.
In addition to general census data there may be available local population
growth projections. A regional survey indicates a number of facilities have
not as yet incorporated updated local population data into their Emergency
Plans or updated their offsite evacuation times as appropriate to changes in
population.

If you have not already done so, you are encouraged to use these population
studies to update your Emergency Plan and offsite evacuation times associated
with the zones within the ten mile Emergency Preparedness Zone.

Should you have any questions in this regard, please contact Mr. William Cline
at (404) 331-0346.

Sincerely,

J. Philip Stohr, Director
Division of Radiation Safety
and Safeguards
