Covert, MI 49043

SUBJECT: PALISADES PLANT - WITHDRAWAL OF AN AMENDMENT REQUEST  
(TAC NO. M92199)

Dear Mr. Smedley:

By letter dated May 1, 1995, as supplemented September 21, 1995, Consumers Power Company applied for an amendment to the Palisades Plant Operating License No. DPR-20. The proposed change would have modified the facility technical specifications (TS) pertaining to requirements in TS Section 4.7 for periodic diesel generator peak load tests. Subsequently, by letter dated November 13, 1995, you withdrew the amendment request. As stated in your letter, we will expect your submittal revising the electrical TS section to Standard TS before the end of this year.

The purpose of this letter is to advise that the above cited application is being treated as withdrawn. Notice of Consideration of Issuance of the proposed amendment had not been published in the Federal Register.

Sincerely,

Original signed by:

Marsha Gamberoni, Project Manager  
Project Directorate III-1  
Division of Reactor Projects - III/IV  
Office of Nuclear Reactor Regulation
