OFFICE OF INSPECTION AND ENFORCEMENT
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

30-09838

Licensee: Cincinnati Gas and Electric Company
Miami Fort Station, Cincinnati, OH
License No. 34-07251-03

Subject: PROPOSED IMPOSITION OF CIVIL PENALTIES - \$500

This is to inform the Commission that a Notice of Violation and Proposed Imposition of Civil Penalties in the amount of Five Hundred Dollars will be issued on or about August 17, 1984 to Cincinnati Gas and Electric Company. This action is based on unauthorized individuals removing an Ohmart Model SHRM-PA source holder containing a 10 millicurie cesium-137 sealed source and storing it in an unrestricted area without having secured it against unauthorized removal. As a result, the source holder is missing and attempts to find it have been unsuccessful. In addition, a second similar device apparently broke off its mounting, was mistaken for scrap, and was apparently sold to a scrap dealer.

It should be noted that the licensee has not been specifically informed of the enforcement action. The Regional Administrator has been authorized by the Director of the Office of Inspection and Enforcement to sign this action. The schedule of issuance and notification is:

Mailing of Notice	August 17, 1984
Telephone Notification of Licensee	August 17, 1984

A news release has been prepared and will be issued about the time the licensee receives the Notice. The State of Ohio will be notified.

The licensee has thirty days from the date of the Notice in which to respond. Following NRC evaluation of the response, the civil penalties may be remitted, mitigated, or imposed by Order.
