Gentlemen:

Enclosed is a renewal application for our Broad Medical Radioisotope License (No. 04-00421-05) which expires on April 30, 1978. This application includes all information pertaining to amendments previously incorporated into our current license.

We have rewritten the institutional radiation manual to include many of your recommendations as outlined in NUREG-0338, Rev I. We hope this revision of our safety procedures meets the standards of your agency.

Thank you for your consideration of this application.

Sincerely,

RALPH R. CAVALIERI, M.D.
Chairman
Hospital Isotope Committee
