Gentlemen:

We have received your letter dated April 2, 1992, which transmitted changes to the Fort Calhoun Radiological Emergency Response Plan. These changes involve revision of the plan's index and the coversheet to one of the plan's sections. We have reviewed the changes and determined that they are acceptable and do not degrade the effectiveness of your emergency planning for the Fort Calhoun Station.

Should you have any questions concerning this letter, please contact Dr. D. Blair Spitzberg of my staff at (817) 860-8191.

Sincerely,

Original signed by
