Re: Letter dated March 22, 1984 to amend NRC License No. 12-18470-01

Gentlemen:

In order to complete your amendment request it will be necessary for you to submit the following additional information:

1. For both Allen Nichols, Ph.D. and Jill W. Sullivan, M.D. please submit a description of the types and quantities of radioactive materials they have used. Also specify the form of the material (sealed vs. unsealed), the maximum quantities used (microcuries, millicuries, etc.), and the duration of the handling experience.
2. Please specify whether the three individuals you wish to add to your Radiological Control Committee will be voting members or non-voting members.
3. Please clarify whether or not Krishna B. Singh, M.D. and Chi Su, Ph.D. will continue to be members of the Radiological Control Committee.

If you have any questions or require clarification on any of the information stated above, you may contact us at (312) 790-5625.

We will continue our review of your application upon receipt of this information. Please reply in duplicate and refer to Control Number 76537.

To prevent an excessive delay in completing the processing of your licensing action, we request that you reply within thirty (30) days from the date of receipt of this letter.

Sincerely,

Patricia J. Whiston
