Reference: Docket No. 030-16087
License No. 49-19116-01
Subject: NRC Inspection Report No. 030-16087/92-10
(NOTICE OF VIOLATION)

Please accept the attached "Reply to a Notice of Violation (NOTICE)" as our response to the above referenced subject.

Hopefully we have understood the violations and responded in sufficient detail.

At the time of the inspection, the business at which the inspection occurred was no longer Bennett-Carder and Associates, Inc. Harry Kessner who was General Manager for Bennett-Carder purchased certain assets of Bennett-Carder but not the company to start his own business, now Aspen Mountain, Inc. We are answering this Notice for Bennett-Carder and Associates to hopefully expedite resolution of the issues involved.

We were mistakenly under the impression that we could transfer the license to Aspen Mountain, Inc. with only an amendment. We have since found that not to be the case. We have applied for a new license.

Hopefully we are now on the right track toward conducting our new business in a manner acceptable to NRC and DOT.

Thank you for your patience in this transition.

Sincerely,
Aspen Mountain, Inc.

Harry J. Kessner, P.E./L.S.
