SUBJECT: CHANGES TO THE COMANCHE PEAK STEAM ELECTRIC STATION EMERGENCY PLAN

We have reviewed your letters dated June 29 and September 14, 1995, and the enclosed changes to the Comanche Peak Steam Electric Station Emergency Plan, Revisions 22 and 23, respectively. Both revisions were submitted pursuant to 10 CFR 50.54(q). Revision 22 incorporated changes to respiratory protection equipment storage in emergency response facilities. Revision 23 incorporated changes to habitability monitoring equipment in the emergency operations facility.

Based on our review, we determined that the changes are acceptable and do not appear to degrade the effectiveness of your emergency planning at Comanche Peak Steam Electric Station.

Should you have any questions concerning this letter, please contact Ms. Gail M. Good of my staff at (817) 860-8215.

Sincerely,

A handwritten signature in cursive script, appearing to read "Thomas P. Gwynn".

Thomas P. Gwynn, Director  
Division of Reactor Safety
