SUFFOLK COUNTY'S CLARIFICATION OF ORAL ARGUMENT

On Thursday, August 16, 1984, the Board offered the parties the opportunity to argue their positions orally on the matters presented in Suffolk County's Motion For Reconsideration Of Memorandum And Order Establishing Format And Schedule Of Proposed Findings Of Fact And Conclusions Of Law (August 6, 1984). See Tr. 14,675-81. In its argument to the Board, the County intended, but inadvertently neglected, to inform the Board of the compromise position that the County would have accepted had negotiations with LILCO gone forward. This pleading is meant to clarify the County's position and to demonstrate, in accordance with the Board's guidance to the parties at the August 8 conference of counsel, that the County does not "merely stand on [its] prior position[ ]" on the matters raised by the Board's July 27 Memorandum and Order. Tr. 14,028-29.

It is the County's position that its original request to establish a 120-day schedule for the Intervenors to file findings of fact and conclusions of law, and to eliminate page limitations, was a reasonable one. Nevertheless, the County proposes as a compromise that it file findings of fact and conclusions of law on November 19, 1984 -- that is, 80 days from the closing of the record, now projected to be on August 31. July 27 Memorandum and Order at 6. This reduces the difference between the County's request and the Board's schedule by more than one half. The County also proposes as a compromise that, if there is to be a limitation on the size of the parties' briefs, that such limitation be expanded to 900 pages.

The County offers this compromise position not only in the spirit of bringing a swift-end to the instant dispute, but as a final effort before this Board to obtain a schedule and page limit which will permit the rights and interests of the residents of Suffolk County to be meaningfully represented. Accordingly, we ask that the Board take cognizance of the seriousness of this

request and enter an order establishing the schedule and page limit herein requested.

Respectfully submitted,

Martin Bradley Ashare
