Docket No. 50-461

Mr. Hubert J. Miller
Regional Administrator
Region III
U.S. Nuclear Regulatory Commission
801 Warrenville Road
Lisle, Illinois 60532-4351

Subject: Management Changes

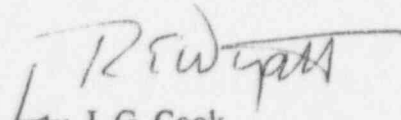

Dear Mr. Miller:

On May 23, 1995, Illinois Power (IP) informed the NRC via letter U-602452 that Mr. Raymond E. Wyatt was retiring and would be replaced by Mr. Daniel P. Thompson in the Manager-Nuclear Assessment position at Clinton Power Station (CPS). Since submittal of that information, Mr. Thompson has been appointed to fill the position of Manager-Nuclear Station Engineering Department replacing Mr. Joseph A. Miller, effective January 2, 1996. Mr. Miller will be assuming the position of Manager of Engineering and Technical Support in the Customer Service Business Group located at Illinois Power headquarter offices and will no longer be directly associated with CPS.

Mr. Richard F. Phares has been appointed to fill the position of Manager-Nuclear Assessment at CPS replacing Mr. Wyatt effective December 6, 1995.

If you have any questions regarding this matter, please contact me.

Sincerely yours,

for J. G. Cook
Vice President
