

CONFIRMATORY ACTION LETTER

AUG 21 1984

Docket No. 50-315
Docket No. 50-316

American Electric Power Service
Corporation
Indiana and Michigan Electric Company
ATTN: Mr. John E. Dolan
Vice Chairman
Engineering and Construction
1 Riverside Plaza
Columbus, OH 43216

Gentlemen:

This letter refers to the telephone conversation on August 21, 1984, between W. D. Shafer of this office and Mr. W. G. Smith, Jr., Plant Manager, Donald C. Cook Nuclear Plant, concerning the results of the licensed operator and senior operator NRC administered requalification examinations conducted at the Donald C. Cook Nuclear Plant during the week of June 18, 1984.

Based on the matters discussed it is our understanding that the following actions will be taken by 0001, August 22, 1984:

The six senior operators who failed the written requalification examination administered on June 19, 1984 will be prohibited from performing licensed duties. They will not be returned to licensed duties until they have satisfactorily completed an accelerated requalification program and passed a written examination approved by the NRC. These six individuals are identified by license number in the enclosure.
