South Texas Project
Units 1 and 2
Docket Nos. STN 50-458, STN 50-499
Revision to Operations Quality Assurance Plan

As required by the South Texas Project Operations Quality Assurance Plan (OQAP) Chapter 2, Revision 7, Paragraph 5.14.1, Houston Lighting & Power Company (HL&P) submits the attached OQAP Change Notice QA-006. HL&P has determined that the change does not reduce the effectiveness of the OQAP and does not involve an unreviewed safety question.

Note that the revised pages incorporate OQAP Change Notice QA-004 (previously submitted by correspondence dated January 15, 1992) and OQAP Change Notice QA-008 which will be addressed in the annual OQAP update in December 1992.

These changes will be fully incorporated in the annual OQAP update. If there are any questions, please contact either Mr. P. L. Walker at (512) 972-8392 or me at (512) 972-8434.
