Mr. D. R. Gipson  
Senior Vice President  
Nuclear Generation  
The Detroit Edison Company  
6400 North Dixie Highway  
Newport, MI 48166

Dear Mr. Gipson:

During a recent inspection, the U.S. Nuclear Regulatory Commission identified an unresolved item regarding the certification of an individual in certain areas, and the process by which the individual and other material inspectors were certified in those specific areas. Details of this matter are provided for your review and followup.

We request that the results of your review and disposition of this matter be submitted to Region III within 60 days of the date of this letter. We request that your response contain no personal privacy, proprietary, or safeguards information so it can be released to the public and placed in the NRC Public Document Room. If necessary, such information shall be contained in a separate attachment which will be withheld from public disclosure. The affidavit required by 10 CFR Part 2.790(b) must accompany your response if proprietary information is included.

The enclosure to this letter should be controlled, and distribution limited to personnel with a "need to know" until your investigation for the matter has been completed and reviewed by NRC Region III. The enclosure to this letter is considered Exempt from Public Disclosure in accordance with 10 CFR Part 2.790(a). A copy of this letter, excluding the enclosure, will be placed in the NRC Public Document Room.

The response requested by this letter and the accompanying enclosure are not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL 96-511.
