Attention: Theodore E. Quay, Director
Standardization Project Directorate

Subject: **SBWR - Removal of Westinghouse Topical Report WCAP-14416 from SBWR.
Docket STN 52-004.**

It has come to our attention that Westinghouse Topical Report WCAP-14416 has been placed on the SBWR Docket STN 52-004 at the NRC Public Document Room (PDR). WCAP-14416 is unrelated to the SBWR review and should be removed from the SBWR docket.

If you have any questions regarding this report, please contact John Leatherman of our staff at (408) 925-2023.

Sincerely,

James E. Quinn
