STAFF RESPONSE TO GPC MOTION TO CORRECT THE RECORD

On December 12, 1995, Georgia Power Company (GPC) filed a "Motion To Correct The Record Of Exhibits Of The Diesel Generator Reporting Issues Allegation Hearing" (Motion To Correct). Appended to the Motion To Correct is a three-page list (marked as "Attachment A") describing proposed corrections to the hearing transcript, followed by copies of the affected transcript pages.

The Staff supports the Motion to Correct. Each correction accurately reflects what transpired on that hearing day.

The Staff notes, however, that two of the exhibits listed in Attachment A were later received in evidence: (1) Intervenor Exhibit II-18, identified at Tr. 3472 (*see* Attachment A, at 2), was subsequently admitted on April 20, 1995, at Tr. 3905; and (2) Intervenor Exhibit II-247, rejected at Tr. 14190 (*see* Attachment A, at 3), was

subsequently admitted by the Memorandum and Order (Intervenor Motions; Effect of Hobby Decision), dated October 23, 1995, at 12.

Respectfully submitted,

John T. Hull
Counsel for NRC Staff
