Re: TMI-1 Restart Docket No. 50-289 *SP*  
(Restart Remand on Management)

Gentlemen,

On August 17, 1984, the "Union of Concerned Scientists Response to GPU Comments on July 13, 1983 Memorandum and Order on Lead Intervenors and Motion to Partially Exclude UCS from Participation in the Management Remand" was filed. The document was misdated July 13, 1984, rather than August 17, 1984, the date of service.

This is to correct that error and apologize for any confusion that may have resulted.

Very truly yours, -

Ellyn R. Weiss
