Gentlemen:

SUBJECT: NRC INSPECTION REPORT NO. 50-482/91-36

Thank you for your letter of March 27, 1992, in response to our letter and Notice of Violation (Violations 482/9136-01, 02, and 03) dated February 25, 1992. We have reviewed your reply, and find those actions that you have taken or planned, as well as those actions pertaining to plant procedures and corrective actions that you identified as part of your Management Action Plan in an April 17, 1992, management meeting, to be responsive to our concerns. We will review the implementation of your corrective actions during a future inspection to determine that full compliance has been achieved and will be maintained.

Sincerely,
