Subject: Radiation Survey Report after Installation of new Cobalt Source
NRC License 04-07840-02

To: USAF Radioisotope Committee
AFMC/SGPZ
Brooks AFB, TX 78235

1. Attached are two copies of the survey report after the installation of our new cobalt source. One is for your file and one is for forwarding to USNRC Material Licensing Branch for their records.

2. If there are any questions please call me at Autovon 837-5640.

A handwritten signature in cursive script, reading "Bernard S. Tatera", is written over the typed name.

Bernard S. Tatera, PhD
Medical Physicist
