Subject: Implementation of Severe Accident Management at Vermont Yankee

In reference (c), Vermont Yankee informed the NRC of our intention to implement the formal industry position on severe accident management as recommended by the Nuclear Energy Institute (NEI) Strategic Issues Advisory Committee. Also, we committed to providing implementation plans for severe accident management by the end of 1995.

The purpose of this letter is to inform the NRC of our intention to implement severe accident management by December 31, 1998.

Should you have any questions with regard to this information, please contact this office.

Sincerely,

Vermont Yankee Nuclear Power Corporation
